# Using the Parent Analytic App
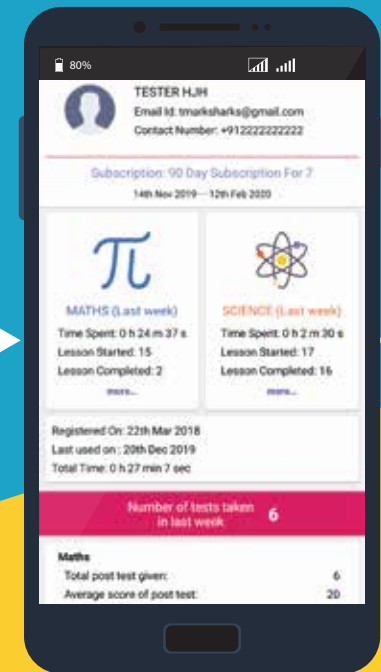

MarkSharks™

What is the Analytics Parent App

- The Analytics Parent App is a separate application offered for free by MarkSharks
- Analyze your child's academic progress
- Regularly check the analytics app so you can help your child maximize his/her time out of MarkSharks
- Kindly connect child's device to wifi/internet once a week for 30 minutes

If Above 80% ← **If Below 80%** →

Check Lesson Progress

Identify lessons where more progress is required

Check Post Test Score in Score Card

Check Weekly Usage

Is your child using the app for at least 2 hours per week with at least 30 min per subject?

Click "more…" to see Detailed Analytics

If above 30 min per subject per week

If below 30 min per subject per week

Speak with your child to figure if they are facing any issues

We are hiring to help!

1) Get in touch with a MarkShrarks expert by phone at 011-40844778 or by email at teacher@marksharks.com

2) Attend an E-Tutor class

Days Wise Time Spent
